WITH HEAT ON, DO YOU HAVE ROOMS THAT ARE COLD?

Does your home have rooms that are always too hot or too cold?

K&S HAS THE SOLUTION!

NO MESS... NO drilling, NO sawing.
In most installs, no wiring required.

FAST: 1/2 day install with **ZERO** modifications to your home!

AFFORDABLE: The first EVER multi-zone duct system that does not require any duct work alterations.

HiberSense will work with any existing duct system

SAVING YOU THOUSANDS OF DOLLARS!

HiberSense is an American company and their hardware and state-of-the-art software will be installed and supported by K&S.

In the past, to zone your home, normally sheet rock has to be removed, duct work re-configured, sheet rock re-installed...messy, time consuming and expensive!
NOT ANY LONGER!

CALL **K&S** FOR MORE INFORMATION AND A **FREE ESTIMATE!**

HIBERSENSE

The first **EVER** room by room temperature & comfort control system.
